

EMERGENCY

BOARD OF WATER & LIGHT

Electric Customer:

Date: _____ Time: _____

Address: _____

Damage and/or a hazardous condition exists in your electric service entrance equipment. You must contact a licensed electrical contractor for proper repair.

Financing for this repair is available through the BWL's Emergency Mast Repair and Payment Program. For more information, go to www.lbwl.com/outagecenter.

To participate in this program, contact one of the following BWL approved contractors:

- Thee Electric 517-339-8700
- Sparky's Electric 517-627-5423
- WF Bohnet Electric 989-307-8539
- Premier Electric 517-819-4624
- FD Hayes Electric 517-482-0608
- R M Electric Inc. 517-323-7580
- Newkirk Electric Associates 231-722-1691
- Superior Electric 517-485-7129

If your service is now disconnected, after the necessary repair work has been completed, call 517-702-6006 for reconnection.
